

## **July 2008 Update**

Adult Therapeutic Foster Homes, a subclass of Behavioral Health Service Agencies are regulated by A.R.S. Title 36, Chapter 4 and Title 9, Chapter 20, Article 15 of the Arizona Administrative Code. The Department believes that amendments to these rules will clarify licensee requirements and will benefit both the homes and recipients of the services provided by the homes. To achieve the goal of improved Adult Therapeutic Foster Homes Rules, the Department met with members of the regulated community and other interested persons for their comments and feedback about the draft rules. The Department concluded these meetings at end of May. The Department anticipates filing a Notice of Proposed Rulemaking with the Secretary of State before the end of July 2008.
